## Church Restoration Project

\$99,000

Over time the ceiling in St. Bernard's church has begun to crack and discolor. The parish council recently voted to get the ball rolling on this project, and have the sanctuary restored. They met with Tim Linenburger of Painting & Decoration, Inc. who specializes in church repairs. Tim gave us a bid of \$99,000 to repair and paint the ceiling, paint the walls and stencil. The council voted to approve it. While our church does have the funds in savings to cover this project, we would like to start fundraising to help offset the cost. If you are able, please consider donating to this project so we may repair our beloved sanctuary. **\*If you choose to donate, please note "Ceiling Repair" on donation\***

Today is Life Chain Sunday. The Life Chain is the largest prayerful, pro-life, public witness in the world. Life Chains will be held throughout the US and Canada. Local pro-life people will be lining up along Evans Street in front of KanEquip for the Ellsworth Life Chain. We will begin at noon today and go until 1:00. Peaceful, prayerful posters will be available to hold if you would like to. You may stand or bring a chair to sit. This is a powerful event for participants and passers-by, we hope you will join us!
