Church Restoration Project

Over time the ceiling in St. Bernard’s church has began to crack and discolor. The parish council recently voted to get the ball rolling on this project, and have the sanctuary restored. They met with Tim Linenburger of Painting & Decoration, Inc. who specializes in church repairs. Tim gave us a bid of \$99,000 to repair and paint the ceiling, paint the walls and stencil. The council voted to approve it. While our church does have the funds in savings to cover this project, we would like to start fundraising to help offset the cost. If you are able, please consider donat-ing to this project so we may repair our beloved sanctuary. ***If you choose to donate, please note “Ceiling Repair” on donation***
